# BRITISH JOURNAL OF HOSPITAL MEDICINE

# Index 2007 Volume 68

## A

**Abbassian A.** The limping child: a clinical approach to diagnosis. *Review* ..... 246
Abdominal aortic aneurysm repair: chyloperitoneum following. *Images in medicine.* H Stunnell et al .... 679
Abdominal incisions: applied anatomy. *Anatomy of common procedures.* H Ellis ..... M22
Abdominal injuries. *Surgical emergencies.* R Davenport et al ..... M78
Abdominal migraine: recurrent abdominal pain in children. *Paediatric emergencies.* G Russell et al ..M110
Abdominal pain
  acute
    in a 16-year-old woman: the pitfalls of sexual history. *Case report.* A George et al ..... 106
    splenosis: a management conundrum. *Case report.* AEE Burger et al..... ..... 104
  medical causes. *Surgical emergencies.* R Reid and R Hutchins ..... M52
  recurrent in children: is it abdominal migraine? *Paediatric emergencies.* G Russell et al ..... M110
**Abdullah AF** *see* **Aziz AA et al**
**Abeysejara AMS** *see* **Siriwardana HPP et al**
**Abosaif N** and **Tolba Y.** RIFLE classification of acute kidney failure in intensive care. *Symposium on acute renal failure* ..... 304
Abscess
  breast
    *Review.* JM Dixon ..... 315
    *Surgical emergencies.* A Agrawal and M Kissin ..... M198
  lung rather than pneumatocele following kerosene ingestion. *Case report.* AA Aziz et al .. 616
  unusually positioned of the head and neck following suppurative otitis media. *Case report.* C Onyon and HM Goodyear ..... 270
**Abu-Arafeh IA** *see* **Russell G et al**
Academic foundation programmes. *Career development.* C Hilton ..... M215
Acromioclavicular joint and clavicle injuries. *Orthopaedics.* S Oussedik ..... M68
Acupuncture: pneumothorax following. *Case report.* S Barratt et al..... 677
Acute abdominal pain
  in a 16-year-old woman: the pitfalls of sexual history. *Case report.* A George et al ..... 106
  splenosis: a management conundrum. *Case report.* AEE Burger et al..... 104
Acute respiratory distress syndrome (ARDS): physical consequences of critical illness. *Symposium on intensive care.* S Thirugnanam and MS Herridge..... 477
**Adcock CJ** and **Dawson JS.** The Venturi mask: more than moulded plastic. *Practical procedures* ...M28
Aerodigestive tract, upper: management of foreign bodies. *ENT emergencies.* EZ Osman and A Swift..... M189
**Affleck AG** *see* **Cohen SN et al**
**Agell I** *see* **Kumar V and –**
**Aggelakis K** *see* **Koutroumanidis M et al**
**Agrawal A** and **Kissin M.** Breast abscess. *Surgical emergencies* ..... M198
**Ahmed RY** *see* **Singh I et al**
**Ahsan S, McConville C, Hogg R, Sivakumar S** and **Roberts CM.** What sources of careers information do medical students prefer to use? *Education and training update* ..... 674
**Ahuja N** *see* **Kapur S et al**
Air embolism risk from anti-reflux Y-connectors. *Corres.* S Kapur et al; N Stebbings..... 335
**Akbar AK** and **Lambiase PD.** How to insert a temporary pacing wire. *Practical procedures* ..... M186
**Ali T** *see* **Thomas R and –**
**Al-Reefy H, Dhar V** and **Dilkes M.** Squamous cell carcinoma in the head and neck. *Review* ..... 380
**Al-Sardar H.** Methadone-associated QT prolongation and torsades de pointes. *Corres* ..... 221
**Amar K** and **Ibrahim IR.** Mild cognitive impairment. *Symposium on psychiatry* ..... 526
Ambulatory procedures
  cardiac rhythm monitoring. *Symposium on cardiovascular medicine.* A Rao et al ..... 132
  in urogynaecology. *Symposium on urology.* S Patwardhan and AS Arunkalivanan ..... 414
**Amonkar SJ, Hughes T** and **Browell DA.** Crohn's disease discovered by an obstructing chick pea. *Images in medicine* ..... 445
**Amonkar SJ, Zachariah K** and **Feggetter J.** Prostate cancer presenting as neuropathic urinary retention. *Case report* ..... 388
Amputation
  Admiral Nelson's. *Surgical anniversaries.* H Ellis .. 623
  phantom limb claudication. *Case report.* L Corfield et al..... 558
Anaesthesia
  local and its safe use in minor surgery. *Surgical emergencies.* E Selvaraasan et al ..... M170
  postoperative cognitive decline and dementia. *Editorial.* C Ballard et al..... 576
  regional: New York School of Regional Anesthesia. *Web watch.* JS Dawson..... 337
  tips for the final FRCA examination. *Education and training update.* S Benington and WF de Mello ..... 554
  traditional rapid sequence induction for caesarean section is outdated. *Anaesthetic and critical care dilemma.* O Mingo..... 628
Anaesthesia UK. *Web watch.* JS Dawson..... 55
Analgesia
  prescribing for the surgical patient. *Prescribing.* M Nagaratnam et al..... M7
  should codeine still be used for post-craniotomy analgesia? *Anaesthetic and critical care dilemma.* V Sharma and J Sebastian ..... 508
Anatomy
  applied
    of abdominal incisions. *Anatomy of common procedures.* H Ellis..... M22
    of appendicectomy. *Anatomy of common procedures.* H Ellis ..... M114
    of chest drain insertion. *Anatomy of common procedures.* H Ellis..... M44
    of examination of the knee. *Anatomy of common procedures.* H Ellis..... M60
    of rectal examination. *Anatomy of common procedures.* H Ellis ..... M136
  clinical anatomy
    of examination of the ankle. *Anatomy of common procedures.* H Ellis..... M174
    of the great veins of the neck. *Anatomy of common procedures.* H Ellis..... M5
    of lumbar puncture. *Anatomy of common procedures.* H Ellis ..... M82
    of pericardiocentesis. *Anatomy of common procedures.* H Ellis ..... M98
  clinical examination of the thyroid gland. *Anatomy of common procedures.* H Ellis..... M154
**Andrabi SIH, Spence GM** and **Clements WBD.** Inversion of Meckel's diverticulum causing gastrointestinal bleeding and small bowel obstruction. *Case report*..... 442
Aneurysms
  giant coronary artery and myocardial infarction: aetiology and management. *Case report.* R Gurtu et al ..... 618
  imaging studies in the recognition of. *Corres.* OM Jolobe, M Williams and JK Brown..... 562
Angina, stable: ivabradine as a new strategy for management. *Drug focus.* IBA Menown..... 321
**Aning JJ, Horsnell j, Gilbert HW** and **Kinder RB.** Management of acute urinary retention. *Symposium on urology*..... 408
Ankle, clinical anatomy of examination of the ankle. *Anatomy of common procedures.* H Ellis.. M174
Antibiotics on the intensive care unit: continuous infusion or intermittent bolus? *Anaesthetic and critical care dilemma.* P Szawarski..... 568
Antibody deficiency: subcutaneous immunoglobulin for patients with. *Drug focus.* M Helbert and A Farragher..... 206
Anti-reflux Y-connectors, air embolism risk. *Corres.* S Kapur et al: N Stebbings..... 335
Antivivisection movement: making a monkey of. *In the public's view.* N Goodman ..... 49
Aortic dissection, chronic: coronary angiography. *Case report.* A Rao et al..... 620
Apnoea, suxamethonium: testing for. *Corres.* A Karmarkar and W DeMello..... 277
Apoptosis patterns in malignant cell lines. *RSM Student Members' Group research presentation.* E Fairfax et al ..... M49
Appendicectomy: applied anatomy. *Anatomy of common procedures.* H Ellis..... M114
**Arawwawala D** and **Morgan P.** Preoperative cervical spine X-rays for patients with rheumatoid arthritis. *Anaesthetic and critical care dilemma*..... 56
**Archibong EI** *see* **Esen UI and –**
Arterial surgery: Rudolph Matas, pioneer. *Surgical anniversaries.* H Ellis ..... 557
**Arunkalaivanan AS** *see* **Patwardhan S and –**
**Arya AK** *see* **Koo FS et al; Nik H et al**
Ascites: paracentesis in the management *Corres.* A Koulaouzidis ..... .....622 *Practical procedures.* R Mittal and A Dangoor.. M162
**Ash S** *see* **Sangwaiya A et al**
Assertiveness: a guide for the foundation year doctor. *Surviving in medicine.* D Trivedi and R Hooke ..M120
Asthma: inhaled heroin causing a life-threatening exacerbation and marked peripheral eosinophilia. *Case report.* CI Whale et al..... 332
**Atiemo K, Kumaravel MM, Shafaque S, Nabi G** and **McClinton S.** Immunohistochemical characterization of primary urinary bladder endometriosis. *Case report*..... 218
Atrial arrhythmias, common, practical management 1: cardioversion. *Symposium on cardiovascular*

Compiled by Jill C Halliday, BSc

Page numbers with prefix 'M' refer to Modernising Medical Careers supplements. Those with prefix 'S' refer to other supplements

*medicine.* AP Fitzpatrick et al ..... 122
2: common atrial flutter. *Review.* AP Fitzpatrick et al ..... 201
3: paroxysmal atrial fibrillation. *Review.* M Earley et al ..... 257
4: persistent atrial fibrillation. *Review.* P Williams et al ..... 311
Atrial fibrillation
paroxysmal: practical management of common atrial arrhythmias 3. *Review.* M Earley et al ..... 257
persistent: practical management of common atrial arrhythmias 4. *Review.* P Williams et al ..... 311
Attention-deficit/hyperactivity disorder
epidemiology of in the community. *Symposium on attention-deficit/hyperactivity disorder.* K Sayal ..... 352
management. *Symposium on attention-deficit/hyperactivity disorder.* S Jamdar and BT Sathyamoorthy ..... 360
or hyperactivity in preschool child. *Symposium on attention-deficit/hyperactivity disorder.* M Thompson ..... 356
Autoimmune haemolytic anaemia associated with the use of omeprazole. *Corres.* MI Butt et al ..... 108
Autologous gastrointestinal reconstruction for short bowel syndrome. *Symposium on intestinal failure.* A Bianchi ..... 24
Autonomy, maternal request caesarean section: maternal *vs* medical autonomy. *Review.* UI Esen and EI Archibong ..... 610
Avian influenza A: current threat is real and not a mirage. *Editorial.* J Oxford ..... 70
**Ayyar A** *see* **Bhat S et al; Singh I et al**
**Aziz AA, Abdullah AF** and **Mahmud A.** Lung abscess rather than pneumatocele following kerosene ingestion. *Case report* ..... 616
**Aziz O** *see* **George A et al**

## B

**Babu S** *see* **Mohammed AR et al**
Bacterial meningitis resulting in visual impairment and panhypopituitarism. *Case report.* C Lynch and M Fish ..... 272
**Bahra A.** Headache and migraine. *Review* ..... 195
**Bailey E** *see* **Shah A et al**
**Baker RJ** *see* **Welberry Smith MP and –**
**Balami J** and **Robertson D.** Parkinson's disease and sexuality. *Symposium on neurology* ..... 644
**Ballard C, Clack H** and **Green D.** Postoperative cognitive decline, dementia and anaesthesia. *Editorial* ..... 576
**Ballard C.** Decisions are based on flawed models. *Commentary* ..... 68
**Banerjee A** *see* **Khan AA et al; Mbamalu D et al**
**Banerjee D** and **Kuschner WG.** Principles and procedures of medical ethics case consultation. *Review* ..... 140
Bariatric surgery in obesity: surgical management. *Review.* JN Baxter ..... 85
**Barratt S, Steer H** and **Onyirioha T.** Pneumothorax following acupuncture. *Case report* ..... 677
**Baxter JN.** Obesity: surgical management. *Review* ..... 85
**Baxter S** *see* **George A et al**
**Bayat A, Cunliffe EJ** and **McGrouther DA.** Assessment of clinical severity in Dupuytren's disease. *Review* ..... 604
**Bayat A** *see also* **Bush J and –; Leon R and –; Selvaraasan E et al**
**Bayne L, Evans MJ, King J, Marks R, McCullough C** and **Shaw M.** Training: what went wrong? Where do we go now? *Editorial* ..... 348
Bedside teaching: techniques for effective teaching. *Professional development.* C Jenkins et al ..... M150
**Benington S** and **de Mello WF.** Tips for the final FRCA examination. *Education and training update* ..... 554
**Bernard M** *see* **Healy B et al**
